

Dear Patient,

The Crosstown Surgery Center is a physician owned state-of-the-art outpatient surgery center that specializes in Orthopaedic and Pain Management procedures.

We take great pride in being a physician-owned surgery center with the goal of making every patient visit a positive experience. Our physicians, nurses, healthcare professionals, and administration are all actively involved in the operational decision-making to ensure that you receive the utmost in quality care and personalized service.

We strive to maintain the highest standards for patient care. Anesthesia services are provided by Southdale Anesthesiologists, LLC. Our Anesthesiologists also practice at Fairview Southdale Hospital in Edina, MN. The Crosstown Surgery Center is licensed by the MN Department of Health and is Medicare-certified.

Through the teamwork of our physicians and staff, the Crosstown Surgery Center will do everything possible to make your surgical experience a positive one!

We look forward to exceeding your expectations and providing you with an outstanding surgical experience!

- The Physicians and Staff of the Crosstown Surgery Center

Additionally,

- **Please schedule a History and Physical Exam with your primary care provider** as soon as possible. This appointment **must be within 30 days of your scheduled surgery**. They must **fax a copy of the exam to us at 952-456-7399**. Please give the following form to your provider at the History and Physical Exam:
 - Crosstown Surgery Center History and Physical Requirements
- **A Registered Nurse will contact you prior to surgery** to provide instructions, answer your questions, review your medical history, and verify that we have received and cleared your History and Physical exam and any required labs or test. An arrival time will be communicated during this call. **If your surgery is less than 48 hours away, and you have not received a call from our RN staff, please call us at 952-456-7306.**
- **Arrange to have a responsible adult** drive you home and stay with you for 24 hours after surgery. You will not be allowed to use a cab, walk, or drive home without a responsible adult.

Also included are the following required written notices:

- Minnesota Outpatient Surgical Center Patients' Bill of Rights
- Physician financial ownership disclosure statement
- Questions and Answers on Healthcare Directives
